

KEY TO THE INITIATED
APOCALYPSE UNVEILED – Esoteric Version
King James Version (KJV)

Revelation 1

1 The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John: **When the Initiate first sets out on the Path to regenerate his body, an inner teacher (the Higher “Christ” Mind) appears and opens up the inner consciousness. The “book” which is unveiled are the states of vibration of inner activities (past, present, future) in the regeneration of the body.**

2 Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw.

The Initiate receives these vibrations as a revelation of the Higher Mind. These are all the vibrations of all the inner states of experience and existence (“Christ-within”).

3 Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

The mind of the Initiate receives the ability to perceive and understand the vibrations from the high spiritual realms. The Eternal Now is the “time” in which any person who qualifies may experience “illumination.”

4 John to the seven churches which are in Asia: Grace be unto you, and peace, from him which is, and which was, and which is to come; and from the seven Spirits which are before his throne; **The Initiate recounts the peaceful and beatific experience when the vibrations (spirits) in his body opened up the doors of his energy centers (churches) to the enthroned consciousness which abides in the Eternal.**

5 And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood,

The realm of Christ-consciousness contains the highest Memory of Nature and the Intuitive Mind, which is the first of man’s faculties to awaken from dormancy to become the dominant power in the body, and which also directs the purifying fire with its cleansing influence to eliminate evil in the body.

6 And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen.

The entire completed process of initiation opens up the way for initiates to function consciously in the Higher Divine Mind, which rules the higher class of people. The chanting of the Aum (Amen) vibration stirs up the electro-magnetic forces in the spinal cord to arouse the regenerative serpentine fire.

7 Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

The awareness of the spiritual body (aura) allows the spiritual vision to see the enlightened Higher Mind, even the sense perceptions and faculties of the mental and psychic constitution which previously were unable or unwilling to perceive it.

8 I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

The awareness of the God Within – Pure Spirit – is the beginning and end of our existence, after we have learned all (past, present, future) lessons and discarded the physical world.

9 I John, who also am your brother, and companion in tribulation, and in the kingdom and patience of Jesus Christ, was in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ.

The Initiate begins recounting the ordeal of initiation which occurred in the kingdom of the higher intellect when the mind was in a state of inner introspection. The Heart of the initiate is a partner in the ordeal with the Mind, which is related like a brother (i.e. lower mind and higher mind).

10 I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet,
The Initiate was in contact with the heaven worlds through deep meditation, and the vibrations of the inner voice raise his consciousness to a higher plane.

11 Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.
The vibrations strike the keynote of the Process of Initiation from its beginning to its end, which is the steady unveiling of the Mystery Temple within the Human Body, starting with the lowest spiritual center (church) and progressing to the highest center: (1) Ephesus=sacral region, Muladhara chakra; (2) Smyrna=procreative region, Adhishthana chakra; (3) Pergamos=abdominal region, Manipuraka chakra; (4) Thyatira=cardiac region, Anahata chakra; (5) Sardis=throat region, Vishuddhi chakra; (6) Philadelphia=cavernous region or Pituitary Gland, Ajna chakra; (7) Laodicea=Pineal Gland or 3rd Eye, Sahasrara chakra.

12 And I turned to see the voice that spake with me. And being turned, I saw seven golden candlesticks;
The Initiate tries to visualize and realize the "voice within." By directing the consciousness in the direction of the posterior side of his body, the initiate becomes aware of the 7 spiritual centers in his spinal cord.

13 And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle.
And he becomes aware of the appearance of a High Initiate who functions as a Divine Man in the midst of the 7 spiritual centers, with the body of an all-encompassing aura, and enclosed with wisdom.

14 His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire;
The Divine Man has the Mind of innocence and his thoughts are pure; the control of his emotional nature allows his eyes to be opened and illumined with soul energy.

15 And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.
The spiritualization of his feet allows them to run errands of mercy; and the controlled force of his voice allows him to speak with power and authority.

16 And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.
The Divine Man rules his own stars or planetary influences, and he speaks with the qualities of spiritual justice and impartial judgment; a charismatic force shines through his personality.

[Note: The composite image of the Divine Man or Logos as the incarnating Soul, with its 7 planetary spirits or influences can be seen from a Cosmological Point of View:

- (1) Saturn's white hair = Ancient of Days, or Father Time**
- (2) Jupiter's flaming eyes = All-Seeing Father God**
- (3) Mars' two-edged sword = Divine Justice**
- (4) Sun's shining face = Light of the World**
- (5) Venus' girdle = Divine Love**
- (6) Mercury's feet = Divine Thought**
- (7) Moon's voice = Sea of Generation]**

17 And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last:

Upon entering the state of awareness of the divine consciousness, the initiate loses consciousness of the physical world. The hand of power descends on the initiate and he is encouraged to tread the path of regeneration from beginning to end.

18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.

The Divine Man becomes “dead” during the cycle of physical incarnation, but it is “resurrected” to life when the soul-intuition is awakened by means of the vibration of OM (regenerative energy force), which brings consciousness of immortality and control over the physical and astral worlds.

19 Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;

The impressions of the higher consciousness are conveyed to the heart and the mind as an eternal reminder of the soul’s destiny.

20 The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.

The mystery of the human body is determined by the 7 ruling planets and their influences, and the 7 centers (chakras) in the spinal column. The 7 ruling planets are the ruling intelligences (divinities) of the 7 centers (churches), and the 7 energy chakras are the 7 spiritual centers (churches).
